Note by the secretariat

1. The secretariat has the honour to circulate the first annual progress report on the implementation of the six-year strategic plan for 2014–2019, which was approved by the Governing Council of the United Nations Human Settlements Programme (UN-Habitat) at its twenty-fourth session. The implementation of the plan started in January 2014.

2. The report was prepared in accordance with Governing Council resolution 24/15, in which the Council called upon the Executive Director to report annually to Governments through the Committee of Permanent Representatives and to the Governing Council at its twenty-fifth session on progress made in the implementation of the strategic plan and the work programme.

3. The report complements the annual progress report for 2014 of the Executive Director on the implementation of the strategic plan for the period 2014–2019 (HSP/GC/25/5/Add.2), which will be before the Governing Council at its twenty-fifth session.
